

God blessed man and woman....and gave them dominion over the fish in the sea, the birds in the air and over every living creature that moves upon the face of the earth.

(Genesis 1:28)

At Wildlife Rescue Ministries we are dedicated to caring for God's creatures. We provide all diagnostic, medical and surgical services as well as nursing care for orphaned and injured wildlife.

We treat over 700 cases a year with the goal to return these beautiful animals back to their natural environment.

Some of the animals we treat are squirrels, songbirds, turtles and tortoises, rabbits, racoons, opossums, armadillos, fox, deer, bobcats, shore birds, bats, birds of prey (owls, hawks, eagles, vultures), and others.

We need your help. It costs tens of thousands of dollars a year to help these wonderful animals.

We are a 100% non profit, charitable group with no government support. We depend totally on YOUR donations.

Please help us save these magnificent creatures.

We have NO professional fundraisers. Funds collected are used for the care and treatment of these animals.

A non-profit charitable organization dedicated to the care of sick, injured and orphaned wildlife. Wildlife Rescue Ministries is a program of The Humane Foundation for Animals, Inc.
